ACRP Brief**

Faith Varwig, Principal

ACRP Brief

FY 2009 Airport Cooperative Research Program requests are due April 30th 2008

- **Research problem statements and synthesis statements are needed by a set date for approval by the TRB ACRP Oversight Committee (AOC).**
- **The challenge is obtaining a quantity of problem statements that reflect a current or future problem, and that have broad relevance to the industry.**
- **For CY2007, TF AVO90 submitted 31 (14 safety; 17 security). Results: one (1) was funded, entitled “Analysis and Best Management Practices for Prevention of Wildlife Strikes at Small Airports”.**
- **The funding step occurs just before the Annual Conference of the TRB help in January each year.**

ACRP Brief

What I need from you:

- **Help!**
- **Write grant application requests**
- **Review grant application requests**
- **Solicit oversight committee for support**
- **Attend conference once per year to support the program**
